### **Basic Intensive Training**

This training is presented by dynamic educational trainer, Judy Hatswell.

Advanced Intensive Training includes elements from the Framework of Professional Teaching Standards to assist in professional development and effective communication.

Training also focuses on whole school development and executive leadership and collaboration.

Join a small group of 16 participants for 27 hours of challenging, interactive and fun training over four days.

Flexible training can be arranged in your school and is accredited by the NSW Institute of Teachers.
